“Sunday coffee” for Mondays, Tuesdays, Wednesdays, Thursdays, Fridays ...

Sunday morning bliss: Enjoy the smell of freshly ground coffee, running through a coffee filter into the warmed kettle. Pure coffee enjoyment! May the day begin!

With the **BREWMATIC** filter coffee machine we have accepted the challenge of transposing this piece of Sunday into everyday life. With filter coffee machines, which imitate manual filtering perfectly through there ingenious-ly designed brewing process. And hence get the best out of the bean. For complete aroma. For constant quality of taste. For the perfect temperature. Kettle by kettle. Jug by jug. Sip by sip.

Simple operation, space-saving storage and ageless design made the **BREWMATIC** filter coffee machine a classic a long time ago – wherever good filter coffee is served, a **BREWMATIC** will certainly not be far. Offer yourself and your guests something good. Even though not every day is a Sunday.

151
