

PURA FRESCO

C 2M 1P H CE W

Five dimensions of simplicity to let your business prosper; ease of use, ease of enjoyment, ease of maintenance, ease of flexibility and ease of doing business. The Franke Pura is simplicity itself when it comes to coffee making. The concept behind the coffee machine simplifies beverage choice and enhances overall ease of use. The Pura also offers exceptional value for your money.

The greatest product diversity with the highest product quality, coupled with an amazing simplicity in operation and maintenance make the Pura the ideal machine for family dining, fine dining, office environments and hospitality.

FRANKE

FEATURES & BENEFITS

PURA FRESCO - FRESH MILK FOR SUPERIOR QUALITY

The Pura Fresco assures pure coffee enjoyment. Enhance your coffee with fresh milk, chocolate and superb milky froth at the touch of a button. The milk frother is simple to remove and clean. The coffee machine comes with two bean hoppers and one dual powder dispenser - ideal for dark chocolate and light chocolate. The chocolate powder is prepared with Twist+Taste Technology, an innovation by Franke for the very best taste.

Commercial range for Pura: up to 150 cups/day
